

Mobile Number Login

Prerequisites before installation

- Backup files and database.
- Admin Menu -> System ->Tools -> Compilation. Disable compiler status.

Installation and Setup

- Install the extension.
- After installation, clear all caches.
- Logout from Magento admin and login again.
- After login, go to Admin Menu -> System -> Configuration -> SYNAMEN -> Mobile Number Login.

The screenshot displays the Magento Admin Panel interface. At the top, there is a navigation bar with the Magento logo and 'Admin Panel' text. A search bar for 'Global Record Search' is present, along with user information: 'Logged in as admin | Thursday, November 16, 2017 | Log Out'. Below the navigation bar, a menu shows 'System' as the active tab. The main content area is titled 'Mobile Number Login' and includes a 'Save Config' button. The configuration is organized into a 'Settings' section with the following fields:

Field Name	Value	Action
Enable	Yes	[STORE VIEW]
Is mobile number field is mandatory?	Yes	[STORE VIEW]
Label to display on login pages	Email Address / Mobile Number	[STORE VIEW]
Label to display on register pages	Mobile Number	[STORE VIEW]
The minimum number of characters required for the mobile number.	8	[STORE VIEW]
The maximum number of characters allowed for the mobile number.	15	[STORE VIEW]
The mobile number should be	Numeric (0-9)	[STORE VIEW]
Error message to display when a customer enters an invalid mobile number	Please enter a valid mobile number. Example 9XXX	[STORE VIEW]

Options and explanation

Enable - The extension can be enabled or disabled on any time. On enabling the extension will display an addition field “Mobile Number” in customer registration form. Customer can save their mobile number on registration and can use the saved mobile number to login instead of using their email address.

Is mobile number field is mandatory? - The mobile number field can be set as mandatory (required) field or can be set as non-mandatory field using this option.

Label to display on login pages - Enter the label which should be displayed in the frontend customer login pages. This label will displayed above the username field in login page.

The screenshot displays the Magento login page. At the top, there is a blue header with the Magento logo, the text 'LOGIN PAGE', and links for 'ACCOUNT' and 'CART'. A search bar is located on the right side of the header. Below the header, the page is divided into two main sections: 'NEW CUSTOMERS' and 'REGISTERED CUSTOMERS'. The 'REGISTERED CUSTOMERS' section contains a login form with two input fields: 'Email Address / Mobile' and 'Password'. The 'Email Address / Mobile' field is highlighted with a red rectangular box. Below the input fields, there is a red asterisk followed by the text '* Required Fields'. At the bottom of the login form, there are two buttons: 'Forgot Your Password?' and 'LOGIN'. The footer of the page contains several columns of links: 'COMPANY' (ABOUT US, CONTACT US, CUSTOMER SERVICE, PRIVACY POLICY), 'QUICK LINKS' (SITE MAP, SEARCH TERMS, ADVANCED SEARCH), 'ACCOUNT' (MY ACCOUNT, ORDERS AND RETURNS), and 'NEWSLETTER' (a text input field and a 'SUBSCRIBE' button). A copyright notice is visible at the very bottom of the page.

Label to display on register pages - Enter the label which should be displayed in the frontend customer registration pages. This label will displayed above the mobile number field in registration pages.
